This Agreement is the contract which covers your and our rights and responsibilities concerning Online Banking (“Online Banking”) services offered to you by First Service Credit Union (“Credit Union”). In this Agreement, the words “you” and “yours” mean those who submit an Online Banking authorization form and any authorized users. The word “account” means any one or more share accounts you have with the Credit Union. By signing or submitting an Online authorization for the Online Banking service, you agree to the following terms governing your and our rights and responsibilities concerning the Online Banking electronic funds transfer services. Electronic funds transfers (“EFTs”) are electronically initiated transactions through Online Banking and Bill Payer transactions involving your deposit accounts.

1. Online Banking Services

If we approve your application for the online account access, you may use a personal computer to access your accounts. For this service, you will need a personal computer with access to the Internet (World Wide Web). The online address for online access services is www.fscu.com. You may select a PIN. You must use your PIN along with your account number to access your accounts. You are responsible for the installation, maintenance, and operation of your computer and software. The Credit Union will not be responsible for any errors or failures involving any telephone service, Internet service provider, your software installation, or your computer. At the present time, you may use the online service to:

- Transfer funds between your checking, savings, and line of credit accounts.
- Make loan payments from checking to loan account(s) with us or to third parties.
- Make loan payments from savings to loan account(s) with us.
- Access and conduct transactions with Bill Pay.
- Obtain information related to your checking or savings account(s), applying for loans and status of applications, taxes, requesting stop payment of a check or series of check, and ordering checks.

Transactions involving your deposit accounts will be subject to your Deposit Account Contract and transactions involving a loan account will be subject to the loan agreement(s) for the applicable loan.

2. Service Limitations

a. Online Access Service.

i. Transfers. You may make funds transfers to your accounts or other accounts you authorize as often as you like. However, transfers from a savings account will be limited to a total of six (6) in any one month. Bill payer transactions are unlimited. You may transfer or withdraw up to the available balance in your account or available credit line at the time of the transfer, except as limited under other agreements. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

ii. Account Information. The account balance and transaction history information may be limited to recent account information. The availability of funds for transfer or withdrawal may be limited due to the processing time for ATM transactions and our Funds Availability Policy.

iii. E-Mail and Stop Payment Requests. The Credit Union may not immediately receive e-mail communications that you send and the Credit Union will not take action based on e-mail requests until the Credit Union actually receives your message and has a reasonable opportunity to act. Any stop payment request you transmit electronically is deemed to be an oral request and will expire in fourteen (14) days unless confirmed in writing in accordance with your Deposit Account Contract. Contact the Credit Union immediately regarding an unauthorized transaction or stop payment request.

iv. Bill Payment Transactions. Bill payment transactions are subject to the conditions, requirements, and instructions set forth in the user documentation provided through the bill payer service.

3. Security of Personal Identification Number

The personal identification number or PIN is established for your security purposes. The PIN is confidential and should not be disclosed to third parties or recorded. You are responsible for safekeeping your PIN. You agree not to disclose or otherwise make your PIN available to anyone not authorized to sign on your accounts. If you authorize anyone to have or use your PIN, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that person may use the online account access, online services, or check card to review all of your account information and make account transactions. Therefore, we are entitled to act on transaction instructions received using your PIN and you agree that the use of your PIN will have the same effect as your signature authorizing transactions.

If you authorize anyone to use your PIN in any manner that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying the Credit Union and changing your PIN immediately. You are responsible for any transactions made by such persons until you notify us that transactions and access by that person are no longer authorized and your PIN is changed. If you fail to maintain or change the security of these PINs and the Credit Union suffers a loss, we may terminate your electronic fund transfer and account services immediately.

4. Member Liability

You are responsible for all transfers you authorize using your EFT services under this Contract. If you permit other persons to use an EFT service, Card or PIN, you are responsible for any transactions they authorize or conduct on any of your accounts. However, tell us at once if you believe anyone has used your Account, Card or PIN and accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. For Visa or MasterCard Check Card purchase transactions, if you notify us of your lost or stolen card you will not be liable for any losses provided that you were not grossly negligent or fraudulent in handling your Card and you provide us with a written statement regarding your unauthorized Card claim, otherwise the following liability limits will apply. For all other EFT transactions except electronic check transactions, if you tell us within two (2) business days, you can lose no more than \$50 if someone accessed your account without your permission. If you do not tell us within two (2) business days after you learn of the loss or theft of your access device, account or EFT service, and we can prove that we could have stopped someone from

accessing your account without your permission if you had told us, you could lose as much as \$500. In no event will you be liable for more than \$50 for unauthorized withdrawals from a line of credit account.

Also, if your statement shows EFTs that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe that someone has used your Card or PIN without your permission or you have lost your Card, call: 713-676-7777 or toll-free at 800-678-5197 or write: First Service Credit Union, 9621 W. Sam Houston Parkway N., Houston, TX 77064.

5. Business Days

Our business days are Monday through Friday. Holidays are not included.

6. Fees and Charges

There are certain charges for the EFT services as set forth on the Rate and Fee Disclosures. The Credit Union reserves the right to impose service charges at a future date after we give you notice of such changes as required by law. If you request a transfer or check withdrawal from your personal line of credit account, such transactions may be subject to charges under the terms and conditions of your loan agreement. If you use an ATM that is not operated by us, you may be charged an ATM surcharge by the ATM operator or an ATM network utilized for such a transaction. The ATM surcharge will be debited from your account if you elect to complete the transaction.

7. Right to Receive Documentation

a. Periodic Statements.

All EFT transactions will be recorded on your periodic statement. You will receive a statement at least once every quarter. If you have an EFT transaction, you will receive a statement monthly.

b. Pre-authorized Credits.

If you have a direct deposit made to your account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can use our Audio Response Service or online access or you can call us at 713-676-7777 or toll-free at 800-678-5197 to find out whether or not the deposit has been made.

c. Terminal Receipt.

You may get a receipt at the time you make any transaction over \$15 using an ATM, POS terminal, or Visa/MasterCard Check Card.

8. Account Information Disclosure

We will maintain the confidentiality and privacy of your account information in accordance with our Privacy Policy. We will disclose information to third parties about your account or the transfers you make in the following circumstances:

- As necessary to complete transfers.
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant.
- To comply with government agency or court orders.
- If you give us your written permission.

9. Credit Union Liability for Failure to Make Transactions

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we

will be liable for your actual transaction loss or damage. Our sole responsibility for an error in a transfer will be to correct the error. You agree that neither we nor the service providers shall be responsible for any loss, property damage, or bodily injury, whether caused by the equipment, software, Credit Union, or by Internet browser providers such as Netscape (Netscape Navigator browser) and Microsoft (Microsoft Internet Explorer browser), or by Internet access providers or by online service providers or by an agent or subcontractor for any of the foregoing. Nor shall we or the service providers be responsible for any direct, indirect, special, or consequential economic or other damages arising in any way out of the installation, download, use, or maintenance of the equipment, software, online access services, or Internet browser or access software. In this regard, although we have taken measures to provide security for communications from you to us via the online access service and may have referred to such communication as "secured," we cannot and do not provide any warranty or guarantee of such security. In states that do not allow the exclusion or limitation of such damages, our liability is limited to the extent permitted by applicable law. The Credit Union will not be liable for the following:

- If, through no fault of ours, you do not have adequate funds in your account to complete a transaction, your account is closed, or the transaction amount would exceed your credit limit on your line of credit.
- If you used the wrong identification code or you have not properly followed any applicable computer, Internet, or Credit Union instructions for making transfers.
- If your computer fails or malfunctions or if the Credit Union's online access system was not properly working and such problem should have been apparent when you attempted such transaction.
- If the ATM where you are making the transfer does not operate properly, does not have enough cash or you use your Card improperly.
- If circumstances beyond our control (such as fire, flood, telecommunication outages, postal strikes, equipment, or power failure) prevent making the transaction.
- If your account is frozen because of a delinquent loan or is subject to legal process or other claim.
- If the error was caused by a system beyond the Credit Union's control such as your Internet Service Provider, any computer virus, or problems related to software not provided by the Credit Union.
- If you have not given the Credit Union complete, correct, and current instructions so the Credit Union can make a transfer.
- If the error was caused by any applicable ATM or payment system network. The ATM machine may retain your Card in certain instances, in which event you may contact the Credit Union about its replacement.

We may establish other exceptions in addition to those listed above.

10. Termination of EFT Services

You agree that we may terminate this Contract and your use of any EFT services, if you, or any authorized user of your account or PIN breach this agreement with us, or if we have reason to believe that there has been an unauthorized use of your Card, account or identification code.

You or any other party to your account can terminate this Contract by notifying us in writing. Termination of service will be effective the first business day following receipt of your written

notice. However, termination of this Contract will not affect the rights and responsibilities of the parties under this agreement for transactions initiated before termination.

11. Preauthorized Electronic Fund Transfers

a. Stop Payment Rights.

If you have arranged in advance to allow a third party to make regular electronic fund transfers out of your account(s) for money you owe them, you may stop payment of these preauthorized transfers from your account. You must notify the Credit Union orally or in writing at any time up to three (3) business days before the scheduled date of a preauthorized transfer. The Credit Union may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.

b. Notice of Varying Amounts.

If these regular payments may vary in amount, the person you are going to pay is required to tell you ten (10) days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the account would fall outside certain limits that you set.

c. Liability for Failure to Stop Payment of Preauthorized Transfers.

If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

12. Notices

We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change, as required by law. Use of any EFT service is subject to existing regulations governing the Credit Union account and any future changes to those regulations.

13. Billing Errors

In case of errors or questions about electronic fund transfers, telephone us at 713-676-7777 or toll-free at 800-678-5197 and send us a written notice. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. In your notice:

- Tell us your name and account number.
- Describe the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. For errors related to transactions occurring within thirty (30) days after the first deposit to the account (new accounts), we will tell you the results of our investigation within twenty (20) business days. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question (ninety (90) days for POS (point of sale) transaction errors, new account transaction errors, or errors involving transactions initiated outside the United States). If we decide to do this, we will recredit your account within ten (10) business days (five (5) business days for Visa or MasterCard Check Card transactions) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to

put your complaint or question in writing and we do not receive it within ten (10) business days, we may not recredit your account.

If we decide after our investigation that an error did not occur, we will deliver or mail to you an explanation of our findings within three (3) business days after the conclusion of our investigation. If you request, we will provide you copies of documents (to the extent possible without violating other members' rights to privacy) used in our conclusion that the error did not occur.
